Books for students or teachers.</li> </ol>
--	---

<p>contractor must ensure that the materials are used only for the purposes of the program and can be removed from the nonpublic school without remodeling the nonpublic school facility.</p> <p>5. Disposal of old equipment from this program (environmentally safe)</p> <p>6. Maintenance: Contracts or per diem support to make sure equipment purchased and loaned to a nonpublic school by a board of education is maintained and remains usable. This would apply to equipment purchased under this initiative.</p>	
--	--

All items must be purchased by the public school and be **related directly to student instruction!**

A single item cannot be split funded (funded by both a public school and a nonpublic school).

This list will be updated as needed on the NJDOE website:
